

HAMPSHIRE COUNTY DEVELOPMENT MEET 2010

FIRST WEEKEND:

Karen's Report.

SCORCHIO! Phew was it hot, very unpleasant for all concerned

A fantastic start to this year's competition, special mention to our only 2 **Swordfish** Squad members Charlotte Davis who achieved 5 PB's out of 6 swims, and Jack Hebb who swam 2 PB's, neither of them were disqualified on a single event well done to them both ★★

AWARD WINNERS: We had 1 overall winner, Kira repeating last year's 1st place, that doesn't happen very often ☺ our other recipients of an award are listed below. Holly did exceptionally well as she didn't have a full BAGCAT programme (too fast on 200 free to enter) Owen was rewarded for all his efforts in training this season, 6 PB's, he's been working very, very hard. Arsen managed an astonishing 10 PB's! (2 were distance splits) and Josh Montgomery wasn't far behind with 7 (perhaps it went some way to ease the pain of the  (mustn't mention the word) score? The coach is public enemy No 1
