

HAMPSHIRE COUNTY DEVELOPMENT MEET 2010

SECOND WEEKEND:

Karen's Report.

I wasn't there on Saturday but I was assured that it was pretty hot again; Sunday wasn't too bad on poolside as the sun had gone to bed?

This weekend saw our 9,11,13 and 15/16 year olds competing, so a larger squad, many thanks to our parents Clive and Annabel for their assistance.

The County have sent us their thanks for doing such a fantastic job of helping to run the meet last weekend, Bob Arthey assisted for a second session – well done Bob!

AWARD WINNERS: A special mention once again to those members of the Swordfish Squad who entered and did so well; Flo Marks, Harvey Marchant, Albert Ismagilov (all 9 year olds) Joshua Dolding and Toby Ruscoe. We had a very small group in the 15/16 age band, Laura Gove won 3 x Gold medals, Megan Randles 1 medal of each colour and Dan Richards 1 x Gold, it was such a pleasure to see some of our teenagers taking part, let's see more of you next year please ☺

Once the County Qualifying times for 2011 have been published all the PB's recorded over the 2 weekends will be compared to them and we'll see how many have achieved some already?
