In 2007 Hampshire County ASA made it a condition of entry that all Qualifying times had to be achieved at a Licensed Meet of L4 and above. This rule applies to all Championships from 2008 onwards. *Times would only count if achieved on and after the 1st day of the Development Meet in June of the year preceding the next HCASA Champs.* It was therefore decided to cease holding a Spring Club Championships as any times wouldn't be eligible for County's. In 2008 HART SC held it's first Winter Championships, Licensed at L4 to enable our members to achieve County QT's. With the exception of the 25 Butterfly for aged 9 & under ALL 25m events were discontinued (25m events are not County Championship Events)

Butterfly will be a 50m event for the 9 & under age group from the 2009 Championships
