

HART SC- OPEN MEET PROGRAMME - January-December 2010

The Meets listed below have been recommended by Karen. There are other Open Meets; however if you wish to enter them, please discuss fully with Karen before submitting your entries. No individual can OR should enter all of these Meets.

Please refer to the squad codes for guidance purposes only

The Club will not enter any swimmers into Open Meets in September.

If it's not listed below then the Club will not support you, i.e there will be NO coaching cover provided, you will be on poolside on your own.

CLOSING DATE - what's this? This is the date the Hosts have set for final receipt of entries, a lot of meets are heavily oversubscribed, hence we require entries as soon as possible. Please don't wait until the last minute, you may well miss out.
